

# Days Are Forgotten

## Kasabian

Hey son  
I'm looking forward  
You're leaning backwards  
Of this I'm sure Have you had enough?  
Are you feeling rough?  
Does your skull hurt?  
Well if it's warm Cause I am taking back what's mine  
I am taking back the time  
You may call it suicide  
But I'm being born again  
I'm waiting(Aaah)  
I'm waiting  
Right here now  
I'm waiting  
For someone  
Or something  
To take me  
To take me over Days  
Days are forgotten  
Now it's all over  
Simply forgotten  
How to disappear Home bred  
I've got blood lust  
Feeding you bread crust  
I leave no scar You say I'm old hat  
A f\*cking dirty rat  
Call me a cliché  
How right you are Cause I am flipping bag of bones  
I am righting all your wrongs  
You may call it suicide  
But I'm being born again  
I'm waiting(Aaah)  
I'm waiting  
Right here now  
I'm waiting  
For someone  
Or something  
To take me  
To take me over Days

Days are forgotten  
Now it's all over  
Simply forgotten  
How to disappearDays  
Days are forgotten  
Now it's all over  
Simply forgotten  
How to disappearI saw something  
Out there on the darkest star  
You was at home  
Chewing on monkey brainsI am not here  
I'm just a silhouette  
You will never  
Ever ever forgetDays  
Days are forgotten  
Now it's all over  
Simply forgotten  
How to disappearDays  
Days are forgotten  
Now it's all over  
Simply forgotten  
How to disappear
