

Asleep

Wild Nothing

Tell me why you burn (?)
I've got to make it real again (?)
 (?) these days
 Always in (?)
The cat's on the doorstep
We were planting flowers in your lawn

But it's too long
 It's too long
Nothing is wrong
Nothing is wrong

Tell me why you burn (?)
I've got to make it real again (?)
 (?) these days
 Always in (?)
The cat's on the doorstep
We were planting flowers in your lawn

But it's too long
 It's too long
Nothing is wrong

(?) of the street in the middle of the night
And if I could climb up to heaven
I'd break in through your window
Take the curtains out from your bedroom
And wrap myself up in them til I fall asleep
