## **Chariot**

## **Gavin DeGraw**

Staring at a maple leaf
Leaning on the mother tree
I said to myself we all lost touch
Your favorite fruit is chocolate covered cherries
And seedless watermelon ohhhh
Nothing from the ground is good enough
Body raised

It puts over me[Chorus]

Oh chariot your golden waves are walking down upon this face

Oh chariot I'm singing out loud

To guide me

Give me your:

StrengthRemember seeking moons of birth

Rings made mirrors of the earth

The sun was just yellow energy

It is a living promise land

Even over fields of sand

Seasons fill my mind and

Cover me

From bringing back

More than a memory[Chorus]You'll be my vacation away from this place

You know what I want

Holding that cup,

It's pouring over the sides

Make me want to spread my arms and fly[Chorus]Your be my vacation away from this place

You know what I want

Holding that cup,

Its Pouring over to the sides

Make me want to spread my arms and flyChorus
