Summer Camp

I don't want to be your friend
You got plenty of them
I don't want to take you out
Let them shout about
I don't want to play your game
I don't want to meet your folks
They like the other guy most
I don't care about your dreams
I'd rip you apart at the seams
I don't have time to follow your hopesIf you want to have me, that's fine
If you say you love me, you're mine
Baby if you need me, all the time
I'll stick arouuund
I'll stick arouuund
It's alright, It's alriiight
It's alright, It's alriiight
It's alright, It's alriiight
It's alrightYou don't want to waste your time
So put me out of your mind
You say I'm a loaded gun
But we're just having fun
You don't want a broken heartBut if you want to have me, that's fine
If you say you love me, you're mine
Baby if you need me, all the time
I'll stick arouuund
If you want to have me, that's fine
If you say you love me, you're mine
Baby if you need me, all the time
I'll stick arouuund
I'll stick arouuundIt's ahh- , It's ahh-
It's alright, It's alriiight
It's alright, It's alriiight
It's alright, It's alriiight
It's alrightBut if you want to have me, that's fine
If you say you love me, you're mine
Baby if you need me, all the time
I'll stick arouuund
But if you want to have me, that's fine
If you say you love me, you're mine

Baby if you need me, all the time
I'll stick arouuund
I'll stick arouuund
I'll stick arouuund
I'll stick arouuund
