Help Help

Pearl Jam

Tell me what I wanna hear
This shit's too good to be true, my dear
Tell me lies, tell me lies, tell me, tell me lies, tell me
Help me, help me, help me
Help me, help me, help me

A storybook keeps from hurting me, you see
Shell of the man from the sea
Tell me lies, tell me lies, tell me, tell me lies, tell me
Tell me why, tell me why, tell me, tell me why, tell me
Tell me lies, tell me lies, tell me, tell me lies, tell me
Help me, help me, help me
Help me, help me, help me

Reservoir of hate and fear
Invisible in repair
A hundred thieves cast a spell
This is hell
Help me, help me, help me
Help me, help me, help me

The man they call my enemy, I've seen his eyes
He looks just like me, a mirror
The more you read, we've been deceived
Everyday it becomes clearer, clearer, clearer, clearer
Not my enemy, no, not my enemy
Dont speak for me, no, not my enemy
