Trespassing

Cujo (Curfew)

Well, I was walkin' for some time
When I came across this sign
We don?t like when visitors come."
?No Trespassing,? that?s what it said
At least that?s what I could read.
No Trespassers? Yeah, my ass!
Wait 'til ya get a load of me!
One day I was trippin' and that?s when I could see
That the ether I had tapped into could be reality
It was great, that?s when I climbed that optimistic vine
Once I hit that mountain peak, I began to lose my mind
I don?t need no sympathy.
I won?t cry and whine.
Life?s my light and liberty
And I shine when I wanna shine.
Make their faces crack
There?s no turnin' back.
Let?s go!
Well, I was walkin' for some time
When I came across this sign
Sayin' ?Who are you and where are you from?
We don?t like when visitors come."
?No Trespassing,? that?s what it said
At least that?s what I could read.
No Trespassers? Yeah, my ass!
Wait 'til ya get a load of me!
I ain?t got BS in my bag
That?s the one thing you can believe
My heart is gold, my body is glass
Come on baby, can?t you see?
I don't need no GPS
To show me where to go
But I can turn it to the north pole
And show you what is cold
I don?t need no sympathy.
I won?t cry and whine.

Life?s my light and liberty
And I shine when I wanna shine.

Make their faces crack (crack)
There?s no turnin' back.
Let?s go!
Well, I was walkin' for some time
When I came across this sign
Sayin' ?Who are you and where are you from?
We don?t like when visitors come."
?No Trespassing,? that?s what it said
At least that?s what I could read.
No Trespassers? Yeah, my ass!
Wait 'til ya get a load of me!
Wait 'til ya get a load of me!
I said wait 'til ya get a load of me!
I ain't stayin' at home
I got places to roll
I ain't stayin' at home
No, no, no
Hey, hey, hey
Heyeah, yeah, yeah!
I don?t need no sympathy.
I won?t cry and whine.
Life?s my light and liberty
And I shine when I wanna shine.
Heh heh
Heh heh
Heh heh
Heh heh
Let?s go!
Well, I was walkin' for some time
When I came across this sign
Sayin' ?Who are you and where are you from?
We don?t like when visitors come."
?No Trespassing,? that?s what it said
At least that?s what I could read.
No Trespassers? Yeah, my ass!
Wait 'til ya get a load of me!
