Be With You

Rose Cora Perry

Close your eyes
Donâ€™t let this dream end
Close your mind
Nothing can touch us here

I donâ€™t wanna
I try not to realize this is not true
I canâ€™t let it
I wanna feel this â€“ what itâ€™s like to be with you

Why canâ€™t you see
how great this would be?
Why donâ€™t you see
how happy we could be?

I (You) love you
Iâ€™ll (Youâ€™ll) miss you
I (You) want to be with you
I (You) need to
I feel you
You feel the same for me

You donâ€™t wanna
You try not to realize this is true
You wonâ€™t let it but you feel it
You wanna be with me too

We tried to hide it
Deep inside us
We realized it was true
Cause we let it
And we felt it
You wanna be with me too
