Brain Leech

Alex Gopher

When the gunman turned around in my head
It's like a leach on my brain
the breakdown of my emotions

_ _ _ _

they settled down deep in my cells
they're getting in everywhere
i feel them multiplying inside me
they're infecting my nerves.

you're the one who can make it easy
you're truly the best
i note that you are my remedy
so let's start letting __

they settled down deep in my cells
they're getting in everywhere
i feel them multiplying inside me
they're infecting my nerves

smashing me to pieces
it's burning me down
pulls me in its glitches
I'm burning at/up the walls (X3)
