She Should Be Thanking You

Sterling Simms

She never seen the picture on my walls
She can't remember the last time that you called
We never see you when were out
You reside on the other side of town
Because of you I'm a better man
She should think of you as a best friend
Without you this story may not exist
I know the credit should point your way
'Cause every single day she says
Thank you and I hug her
She should be thinkin' too
Thank you and I tell her that I love her
She should be thanking you
Thank you and I tell her she's my everything
'Cause she should be
'Cause I know this much is true
My girl should be thanking you
She should be thanking you
She never heard my mother
Mention your name
When mine was down
You were there like everyday
It took some time for me to get it right
By then you were gone
But I want you alone, yeah
Because of you I'm a better man
So she should think
Of you more like a best friend
And without you this story may not exist
I know the credit should point your way
Cause every single day she says
Thank you and I hug her
She should be thinkin' too
Thank you and I tell her that I love her
She should be thanking you
Thank you and I tell her she's my everything
'Cause she should be
'Cause I know this much is true
My girl should be thanking you

Girl, what can I say
You make me this way
Back then I didn't know what it meant
Now I seems I can't forget
And I know there's no room for us
And I respect you girl please trust
That I will always be thanking you
'Cause every single day she says
Thank you and I hug her
She should be thinkin' too
Thank you and I tell her that I love her
She should be thanking you
Thank you and I tell her she's my everything
'Cause she should be
'Cause I know this much is true
My girl should be thanking you
