

# She Should Be Thanking You

[Sterling Simms](#)

She never seen the picture on my walls  
She can't remember the last time that you called  
We never see you when were out  
You reside on the other side of town  
Because of you I'm a better man  
She should think of you as a best friend  
Without you this story may not exist  
I know the credit should point your way  
'Cause every single day she says  
Thank you and I hug her  
She should be thinkin' too  
Thank you and I tell her that I love her  
She should be thanking you  
Thank you and I tell her she's my everything  
'Cause she should be  
'Cause I know this much is true  
My girl should be thanking you  
She should be thanking you  
She never heard my mother  
Mention your name  
When mine was down  
You were there like everyday  
It took some time for me to get it right  
By then you were gone  
But I want you alone, yeah  
Because of you I'm a better man  
So she should think  
Of you more like a best friend  
And without you this story may not exist  
I know the credit should point your way  
Cause every single day she says  
Thank you and I hug her  
She should be thinkin' too  
Thank you and I tell her that I love her  
She should be thanking you  
Thank you and I tell her she's my everything  
'Cause she should be  
'Cause I know this much is true  
My girl should be thanking you

Girl, what can I say  
You make me this way  
Back then I didn't know what it meant  
Now I seems I can't forget  
And I know there's no room for us  
And I respect you girl please trust  
That I will always be thanking you  
'Cause every single day she says  
Thank you and I hug her  
She should be thinkin' too  
Thank you and I tell her that I love her  
She should be thanking you  
Thank you and I tell her she's my everything  
'Cause she should be  
'Cause I know this much is true  
My girl should be thanking you
