

Starstruck (Feat. Flo.Rida)

Lady Gaga

Groove. Slam. Work it back. Filter that. Baby bump that track.
Groove. Slam. Work it back. Filter that. Baby bump that track.
Groove. Slam. Work it back. Space cowboy just play that track.

Gaga in the room. So starstruck cherry cherry cherry boom boom. Rollin' up to the club on the weekend

Stylin' out to the beat that you're freakin'

Fantasize I'm the track that you're tweakin'

Blow my heart up put your hands on my waist pull the fader

Run it back with original flavor

Cue me up I'm the twelve on your table I'm so starstruck I'm so starstruck

Baby cause you blow my heart up

I'm so starstruck

Baby cause you blow my heart up I'm so starstruck

Baby cause you blow my heart up

I'm so starstruck

Baby cause you blow my heart up Baby now that were alone gotta request

Would you make me number one on your playlist? Put your Dre headphones with the left side on

Wanna scratch it back and forth, back and forth uh huh Put your hands on my waist pull the fader

Run it back with original flavor

Get the breakdown first

Up until the chorus

To the verse

Re-ke-re-ke-reverse I'm so starstruck

Baby cause you blow my heart up

I'm so starstruck

Baby cause you blow my heart up Hey lil' mamma like really, really is that him

I done seen you before what you got on them big rims

Enter that cash flow, I'm like baby you don't trip So shawty say hand over your signature right here

Like adjust the dotted line and I suppose to sign

How she at it, a fanatic and I think it's goin' down

She so star struck, the gal all stuck

I should have had an overdose too many Starbucks Ain't never seen a balla, paper that stack taller

Notice who let the top back on the Chevy Impala

Hummers and all that fully loaded with two spoilers

What did you call that when you showed up with two dollars But that's another chapter, son of a bachelor

All on me, just spotted a baby actor

Complete swagga, they go the dagga

Got what she wants, shawty happily ever after I'm so starstruck

Baby cause you blow my heart up

I'm so starstruck

Baby cause you blow my heart up
Groove. Slam. Work it back. Filter that. Baby bump that track.
Groove. Slam. Work it back. Filter that. Baby bump that track.
Groove. Slam. Work it back. Space cowboy just
play that track.

Baby now that were alone gotta request
Would you make me number one on your play list?
Put your Dre headphones with the left side on
Wanna scratch it back and forth, back and forth uh huh
Put your hands on my waist pull the fader

Run it back with original flavor

Get the breakdown first

Up until the chorus

To the verse

I'm so starstruck I'm so starstruck

Baby cause you blow my heart up

I'm so starstruck

Baby cause you blow my heart up
