Highly Inflammable

X-Ray Spex

Highly inflammableNeurotic tensions
Waiting to explode
I thought you were a man
You thought I was a woman
Risen overflowed
But I was Tinkerbell
And you were Peter PanIt ain't hip if you are retro
Influenced by the fashion pages
Influenced by other's phrases
You're a pseudo quasi intellectualSupreme equality
We used to competeThe right to decide
Is denied to the sheep
I thought you were a man
You thought I was a woman
But I was Tinkerbell
And you were Peter Pan
