

# You Might Need Somebody

[Shola Ama](#)

(Need Somebody)  
When somebody reaches for your heart  
Open up and let them through  
'Cause everybody needs someone around  
Things can tumble down on you You'll discover when you look around  
You don't have to be alone  
Just one lover is all you need to know  
When you're feeling all alone Oh, you might need somebody  
You might need somebody too  
(You might need somebody too) You might need somebody  
You might need somebody too  
(You might need somebody too) Yeah, yeah  
Oh, baby, baby If there's fire stirring in your heart  
And you're sure it's strong and right  
Keep it burning through the cold and dark  
It can warm the lonely nights Oh, you might need somebody  
You might need somebody too  
(You might need somebody too) You might need somebody  
You might need somebody too  
(You might need somebody too) Oh, you might need somebody too  
(Need somebody)  
Yeah, oh, you're gonna need somebody too  
(Need somebody) Yeah, yeah, you might need somebody too, baby  
(Need somebody)  
Oh, I do, ooh, I know I do need somebody too
