Clear a Path (Economically Viable Edit)

Cyanotic

I'm going home
Clear a path you motherfucker
Clear a path
I'm going home

Self-prescribe your own way of life
Reaction to the need to fall in line
All the same, all to blame, with nothing left to gain
Nothing left to gain

Clear a path
Clear a path
Clear a path
Clear a path
I'm going home
Clear a path
I'm going home
Clear a path
I'm going home

Self-prescribe your own way of life
Reacting to the need to fall in line
All the same, all to blame, with nothing left to gain
Nothing left to gain

Clear a path
Clear a path
Clear a path
Clear a path
I'm going home

Clear a path you motherfucker
Clear a path you motherfucker
Clear a path you motherfucker
Clear a path you motherfucker
Clear a path

Reacting to the need to fall in line
Clear a path
I'm going home

Clear a path
I'm going home
Clear a path
I'm going home
Clear a path
I'm going home

I'm going home
Clear a path you motherfuckerï»¿
