

# Gee Whiz, It's Christmas

Carla Thomas

Hello there, merry Christmas how you been  
It's so good to talk to you again.  
It's been a long long time  
Cant' explain why you crossed my mind  
I guess it's just to wish you a merry Christmas

My best friend's having a party  
And everybody's going  
I know it's gonna be a lot of fun, oh by the way  
It's snowing

It's been a long long time  
Cant' explain why you crossed my mind  
I guess it's just to say gee whiz it's Christmas

It's funny that I haven't thought to call you before  
And why is it I haven't seen you around anymore  
Another year has passed and I can't erase  
The memory of your smiling face  
So I have to call you up and say  
Gee whiz it's Christmas

So don't forget the party that we're throwing  
The warm fires of the fireplace  
Will be glowing  
It's been a long long time  
Still cant' figure out why you crossed my mind  
I guess it's just to say gee whiz it's Christmas

I'm wishing you a merry, have a merry Christmas
