

# The Way U Make Me Feel

## Black Eyed Peas

Check it out now

Uh, check it out now (6x)[Chorus: Repeat x2]

Everyday and all night

I dream of holding you tight

Crazy as I may seem

You're all that I ever need, babe I gotta make you mine, you're someone I wanna own

I wanna be the one you call when you feelin' alone

I'm gonna make it easy for you to understand

You can be the infamous woman

That partner in hand could be me, pleasurable company

Gettin' you like enter, when I feel on your body

It done hit me like "Jesus, please"

You movin' authentic 'cause energy sent to me knees that

Make 'em buckle (Baby) speakin' a buckle

Why don't you undo yours, and make our body hustle

Isn't it love when two body collide

Lettin' all sparks that resembles Fourth of July skies

And you know how much I care about you right (Oh yeah)

When you're on my mind, I'm a be alright (Oh yeah)

I wanna love you down in so many ways (Oh yeah)

When I'm feeling blue, I think of you and say (Oh yeah)

And if you knew how deep I feel about you girl, then you will

Not think twice when I ask to hook up and go chill

It could be in my place (On my place)

Or your place (Or your place)

And we could let our body conversate, 'cause[Chorus]This ain't no attempt to get all up in your jeans

Even though I wanna make you scream to extreme

Our mouths give you chocolate treats like Halloween

Act out scenes where you and I wrote, my scene 'cause it's

(Something in the way you make me feel)

You got me feelin' like I'm supposed to feel

Just you and I, up close and personal

I'll be gentle while you lettin' your emotional feel

(Chick-a-boom-boom) And you got it good like that

When you and I interact you'll be whipped on contact

Cause once you go Willy, you never go back

Baby, once you go Willy, you never go back

I said how much I care about you right (Oh yeah)

When you on my mind, I'm a be alright (Oh yeah)
