Beautiful

Phil Wickham

I see your face
In every sunrise
The colours of the morning
Are inside your eyesThe world awakens
In the light of the day
I look up to the sky and say
You're beautifulI see your power
In the moonlit night
Where planets are in motion
And galaxies are brightWe are amazed
In the light of the stars
It's all proclaiming who you are
You're beautifulYou're beautifulI see you there
Hanging on a tree
You bled and then you died
And then you rose again for meNow you are sitting on your heavenly throne
Soon we will be coming home
You're beautifulYou're beautifulWhen we arrive at eternity's shore
Where death is just a memory and tears are no more
We'll enter in as the wedding bells ring
Your bride will come together and we'll sing
You're beautifulYou're beautifulI see your face
You're beautiful
You're beautiful
You're beautifulI see your face
You're beautiful
You're beautiful
You're beautifulI see your face
I see your faceI see your face
You're beautiful
You're beautiful
You're beautiful
