Ender

GROVES

Hear me all Ender
Can you help me see the light?
Hear me all Ender
You were right you were right you were right.
Hear me all Ender

Itâ€™s right or wrong, no in-between
Your favorite words are not what they seem
Align your soul, while facing East
Come back to the real world.
Just lose yourself but take control
The moment you realize youâ€™re ready to roll.

So play your part from day to day
donâ€™t live to die, live to create
Itâ€™s black or white, no color code
break from the real world
Just lose yourself but take control
The moment you realize youâ€™re ready to roll.

When the dark comes crawling in
Just remember, and when the dark comes crawling in
just remember, hear me all Enderâ€¦
