

Hugs & Kisses

Gerald Levert

Hugs and kisses Hugs and kisses, hugs and kisses
Hugs, hugs, hugs and kisses Hugs and kisses, hugs and kisses
Hugs, hugs, hugs and kisses Hugs and kisses, hugs and kisses
Hugs, hugs, hugs and kisses Everyday of my life I think of you
I don't know if it's wrong or right
But it feel so good when you come around
See you keep a smile on my face Girl, I can't afford those fancy things
Can't buy you fancy cars and diamond rings
But when you're around and I see you
This is what I do, I give you Hugs and kisses
Hugs and kisses My friends don't understand why is it that
You were so much in demand in my life
I tell them that I'm gonna make you my wife
I give you Hugs and kisses
Hugs and kisses Hugs and kisses, hugs and kisses
Hugs, hugs, hugs and kisses Hugs and kisses, hugs and kisses
Hugs, hugs, hugs and kisses Hugs and kisses, hugs and kisses
Hugs, hugs, hugs and kisses Hugs and kisses
Hugs and kisses Hugs, kisses
Hugs and kisses
Hugs and kisses
Hugs and kisses Hugs kisses
Hugs and kisses
Hugs and kisses
