Blame

KYLE

Phone ringing
Hello?[Verse 1]
Oh no, here we go again with the dumb shit
Cussin' me on assumption
Supposed to be the one I have fun with
It's not fun witcha
Oh no here we go again with the blamin'
With the I'm the one changin' (Right)
I'm gonna be just like my dad
Tell me babe how could you say this? (How you gon' say that?)
You're not Raven
(You're not a psychic)[Hook]
You said you'd be happy
That smile on your face is fake as mine
You knew this would happen
So did I
I don't know who to blame
I don't know who to blame
I don't know who to blame
I don't know who to blame[Verse 2]
Oh Lord, here we go again with you leavin'
I didn't know this was the ship jump season
If you're gonna hate me at least have a reason
Now you call me on the weekend
Are we good, are we good, this shit is misleadin'
Keep it real with each other is the only thing we can
It's my weakness, uhm[Hook]
You said you'd be happy
That smile on your face is fake as mine
You knew this would happen
So did I
I don't know who to blame
I don't know who to blame
I don't know who to blame
I don't know who to blame[Bridge]
Just blame me
Just blame me
Just blame me
Just blame me

Just blame me
Just blame me
