

Blame

KYLE

Phone ringing

Hello?[Verse 1]

Oh no, here we go again with the dumb shit

Cussin' me on assumption

Supposed to be the one I have fun with

It's not fun witcha

Oh no here we go again with the blamin'

With the I'm the one changin' (Right)

I'm gonna be just like my dad

Tell me babe how could you say this? (How you gon' say that?)

You're not Raven

(You're not a psychic)[Hook]

You said you'd be happy

That smile on your face is fake as mine

You knew this would happen

So did I

I don't know who to blame

I don't know who to blame

I don't know who to blame

I don't know who to blame[Verse 2]

Oh Lord, here we go again with you leavin'

I didn't know this was the ship jump season

If you're gonna hate me at least have a reason

Now you call me on the weekend

Are we good, are we good, this shit is misleadin'

Keep it real with each other is the only thing we can

It's my weakness, uhm[Hook]

You said you'd be happy

That smile on your face is fake as mine

You knew this would happen

So did I

I don't know who to blame

I don't know who to blame

I don't know who to blame

I don't know who to blame[Bridge]

Just blame me

Just blame me

Just blame me

Just blame me

Just blame me
Just blame me
