All By Myself

Men Aloud

When I was young
I never needed anyone
And making love was just for fun
Those days are goneAll by myself
Don't wanna be
All by myself
AnymoreAll by myself
Don't wanna be
All by myself
Don't wanna be
by myself, by myself
AnymoreAll by myself
Don't wanna be
All by myself
Don't wanna be
by myself, by myself
Anymore
