

All By Myself

Men Aloud

When I was young
I never needed anyone
And making love was just for fun
Those days are goneAll by myself
 Don't wanna be
 All by myself
 AnymoreAll by myself
 Don't wanna be
 All by myself
 Don't wanna be
 by myself, by myself
 AnymoreAll by myself
 Don't wanna be
 All by myself
 Don't wanna be
 by myself, by myself
 Anymore
