

Happy Pills

Norah Jones

Trying to pick up the pace
Trying to make it so I never see your face again
Time to throw this away
Wanna make sure that you never waste my time again
How does it feel,
Oh, how does it feel to be you right now, dear?
You broke this apart,
So pick up your piece and go away from here
Please just let me go now?
Please just let me go
Would you please just let me go now?
Please just let me go
(Out, I've gotta get cha) 3x
Out of my head, get out
(Out, I've gotta get cha) 3x
Out of my head, get out
Never said we'd be friends
Trying to keep myself away from you cus you're bad, bad news
With you gone, I'm alive, makes me feel like
I took happy pills and time stands still
How does it feel?
Oh how does it feel to be the one shut out
You broke all the rules,
I won't be a fool for you no more, my dear
Please just let me go now
Please just let me go
Would you Please just let me go now
Please just let me go
(Out, I've gotta get cha) 3x
(Out of my head, get out)
Please just let me go now
Please just let me go
Please just let me go now
Please just
(Out, I've gotta get cha) 3x
(Out of my head, get out)
Please just let me go now
Please just let me go
Please just let me go now

Please just
