

Happened On A Saturday Night

Jason Michael Carroll

Well, Bobby's out with Suzie Q

And Larry's here trying to down a few cold ones to get her off his mind

He's drinking Turkey like it's water

If the bar had something harder he'd be on it in a blink of an eye Well, just about then Suzie Q

Walked in with that boy Bobby holding her hand

And some are scared to death and some held their breath

But not one person there didn't understand It's all about love, one don't, one does

And that's just the way it is

One heart's moving on, one heart's holding strong

And one's left on the fence Gonna be a Sunday morning, first light

Grapevine, tellin' lies, face to face

And all what happened on Saturday night Then Larry called the waitress over, tipped her a twenty just to hold her

And Suzie saw it out of the corner of her eye

So she left Bobby standin' all alone, empty handed

As the band played, 'Why Lady Why?' "Cause it's all about love, one don't, one does

And that's just the way it is

One heart's moving on, one heart's holding strong

And one's left on the fence Gonna be a Sunday morning, first light

Grapevine, tellin' lies, face to face

And all what happened on Saturday night Oh, Bobby's aim was true as he knock out Larry's tooth

And Suzie Q started cussing Bobby out

She told Larry that she loved him on the floor as she hugged him

And the waitress bought Bobby around and she said It's all about love, one don't, one does

And that's just the way it is

One heart's moving on, one heart's holding strong

And one's left on the fence Gonna be a Sunday morning, first light

Grapevine, tellin' lies, face to face

And all what happened on Saturday

Sunday morning, first light

Grapevine, tellin' lies, face to face

And all what happened on Saturday night Sunday morning, first light

Grapevine, tellin' lies, face to face

And all what happened on Saturday night

Sunday morning, first light

Grapevine, tellin' lies, face to face

And all what happened on Saturday night
