

Braindead

Rotten Sound

[Music: Mika, Rotten Sound]

[Lyrics: Jorma, Keijo]Like they wear you wear

Like they think to do you do

Like they act you act

Like they don't think you don't think

Personality, you don't have single one

Everything in your head is gone

Follow the big business

And fall into the emptinessStop not to think

The only way to not is sink

Do it yourself

You don't need anybody's helpPersonality, you don't have single one

Everything in your head is gone

Follow the big business

And fall into the emptiness
