

Useless (Live In London, April 1997)

Depeche Mode

Well it's about time
It's beginning to hurt
Time you made up your mind
Just what is it all worth All my useless advice
All my hanging around
All your cutting down to size
All my bringing you down Watch the clock on the wall
Feel the slowing of time
Hear a voice in the hall
Echoing in my mind All your stupid ideals
Got your head in the clouds
You should see how it feels
With your feet on the ground Here I stand the accused
With your fist in my face
Feeling tired and bruised
With the bitterest taste All my useless advice
All my hanging around
All your cutting down to size
All my bringing you down All your stupid ideals
Got your head in the clouds
You should see how it feels
With your feet on the ground
