

What If? (Reprise)

Idina Menzel

You stop and say "Hi" to a stranger
And where will it lead; who can know?
But you learn how to love the not knowing
So here I go, here I go, here I go! You choose and then everything changes
Take a breathe and then fly of the cliff
And you know that there's no turning back,
no turning back, no turning back
And you wonder what if
What if?
