When Tomorrow Hits

Mudhoney

Laying out on some early acts
Losing your way
Getting way off track
Ain't no stopping
Time from comingWhen tomorrow hits
When tomorrow hits
When tomorrow hitsWhat's easy for you
Comes so hard
What you got
Never got me far
There's no stopping
The end from comingWhen tomorrow hits
When tomorrow hits
When tomorrow hitsAll right
Lookout
When tomorrow hits
It'll hit you hard
When tomorrow hits
It'll hit you hard
When tomorrow hits
It'll hit you hard
When tomorrow hitsThat's the lowdown
