

Practice

Drake

Cash money shit, cash money shit I can tell that money's got you working
We've been talking for so long
Now we're finally here in person
I taste pain and regret, in your sweat
You've been waiting for me, oh ho
I can tell that you been practicing
I can tell that you been practicing
All those other men were practice, they were practice
Yeah, for me, for me, for me, for me Girl you look good won't you back that ass up
You a fine motherfucker won't you back that ass up
Call me Big Daddy won't you back that ass up
Girl who is you playing with, back that ass up
You working with some ass yeah, you bad yeah
Girl you working with some ass yeah, you bad yeah Girl you working with some ass yeah, you bad yeah
Make a nigga spend his cash yeah, his last yeah
Hoes frown when you pass yeah, they mad yeah
Couple thousand on your bag yeah, fuck yeah
I'm a big timer nigga yeah, money flipper yeah
Get it understood yeah, it's all good yeah
Girl I know it's real cause I've been around it
You only want what's real you just never found it
Don't give them no more chances, ooh girl they had their turn
Everything for a reason, there's things you had to learn from them
But when I get you to myself
You know what's going down, what's going down Girl you look good won't you back that ass up
You a fine motherfucker won't you back that ass up
Call me Big Daddy won't you back that ass up
Girl who is you playing with, back that ass up
You working with some ass yeah, you bad yeah
Girl you working with some ass yeah, you bad yeah I know he messed up
But let a real nigga make it right
Let a real nigga make it right, you deserve that much
Let me put something in your life
Let me put something in your life, put something in your life
You telling me it's only been a couple other people that you've been with
I'ma trust you I'ma give you the benefit of the doubt, and I'ma love you
You can even call me daddy, I'll give you something to look up to
All my girls from the five o four, need to drop it right now,
Need to drop it right now, all my girls from the five o four, need to drop it right now

Need to drop it right now, all my girls from the five o four need to drop it right now
Need to drop it right now, all my girls from the five o four, need to drop it right now
Need to drop it right now After you back it up then stop
After you back it up then stop
Baby girl, after you back it up then stop
After you back it up then stop I can tell that money's got you working
Got your body so wet
Now we're finally here in person
I taste pain and regret, In your sweat
You've been waiting for me, oh ho
I can tell that you been practicing
I can tell that you been practicing
All those other men were practice, they were practice
Yeah, for me, for me, for me, for me
