

# Prove You Wrong - Live Acoustic

## He Is We

Tell me it's all right,  
Just for one night.  
Show you how to feel like,  
What it feels like.  
To be hugged, to be kissed.  
Be thought of and to be missed.  
I can be that part of you,  
Let me be that part of you.

I see that you're breaking,  
Your heart is breaking.  
Here's my hand if you'll take it,  
We can make it out,  
Of all this mess.  
No more stress.  
I can be that part of you  
I'll try my best.
