Just Like a Negro

Jackyl

Huh huh huh huh
Motherfucker say huh huh huh huh
Motherfucker say huh huh huh huh
Motherfucker say huh huh huh huh
YeahWell listen to the music and open up your ears
It's breaking down these walls that we built up all these years
With time there comes a freedom to open up your mind
If you can't see what's going on then man we must be blindUnited we became
Look around it ain't the same
We won't allow your penetration
We're the music generationSometimes I find myself acting just like a Negro
You know the brothers are the ones that started rock and roll yeah
The music ties it all together
here we are (here we go) here we go
(Out the door) out the door check it outNow deep inside my soul well I searched and found the groove
Now bonded by the backbeat we are the ones to prove
United we are funky and it's a funky nasty scene
All colors run together washed here in this machineUnited we became
Look around it ain't the same
We won't allow your penetration
'Cause were the music generationSometimes I find myself acting just like a Negro
You know the brothers are the ones that started rock and roll yeah
The music ties it all together here we are (here we go) here we go
(Out the door) out the door check it outHuh huh huh huh
Motherfucker huh huh huh huhWell all color they run together
Washed in here this machine yeahSometimes I find myself acting (just like a Negro)
Sometimes I find myself acting just like a Negro
You know the brothers are the ones that started rock and roll yeah
The music ties it all together
here we are (here we go) here we go
(Out the door) out the door out the door yeah
Sometimes I find myself acting just like a Negro
Yeah yeah yeah yeah yeah
The music ties it all together
here we are (here we go) here we go
(Out the door) out the door out the door out the doorSay huh huh huh huh
Motherfucker say huh huh huh huh
Everybody say huh huh huh huh
Motherfucker say huh huh huh huh
