

So Fine

Mint Condition

She's so fine, fine, fine
She's a dime, dime, dime
She's so fine, fine, fine
She's all mine, mine, mineShe can make you lose control but I'm a keep it on the low
Just to see her pretty face makes you want her, want, want her
Can't explain the way it feels but I know the feeling's real
I can't wait to get her home so I can love herShe's so fine, fine, fine
She's a dime, dime, dime
She's so fine, fine, fine
She's all mine, mine, mineShe's the only one for me, I treat her like she's supposed to be
Love her from her head to toe, she's my boo, girl, boo, boo girl
Give her everything she likes, even bought her all her ice
Ain't nothing that I won't do 'cause I love herShe's so fine, fine, fine
She's a dime, dime, dime
She's so fine, fine, fine
She's all mine, mine, mineLook, you'll see
She's the beautifulest thing to me
If you don't believe just take one look
When you do you see you'll be hookedYou can't deny
She's the baddest thing and oh, so fine
If you don't believe just take one look
When you do, you see you'll be hookedShe's so fine, fine, fine
She's a dime, dime, dime
She's so fine, fine, fine
She's all mine, mine, mineShe's so fine, fine, fine
She's a dime, dime, dime
She's so fine, fine, fine
She's all mine, mine, mine
