

# A Happy Song

## Bracket

Sing a happy song for me  
Sing a happy song for me I didn't mean to cause you pain  
I didn't mean to leave a stain  
I didn't mean to say that I loved you I never thought that I would crash  
I never thought I'd turn to ash  
I never thought that I would love you Sing a happy song for me  
Sing a happy song for me I didn't mean to steal your time  
I didn't mean to make you shine  
I didn't mean to say that I loved you I don't mean to be so mean  
I don't mean to come so clean  
But now I'm everything without you Here's another song for you  
It might not be my best tune  
But all the words I say ring true  
I'm everything without you  
I'm everything without you  
I'm everything without you  
I'm everything without you  
Without you
