

In His Love

Deo Cantemus & Mark Patterson

Christ has come to be our shepherd,
He has come to be our guide.
Though we walk the path of darkness,
Christ will lead us through the night.

-

Christ has come to bring salvation,
He has come to be our light.
Christ has come to bring forgiveness,
Jesus is the gift of life.

-

Chorus:

In His love, we have victory.
In His sacrifice, we have hope again.
In His cross, we have glory.
In His love, we have life.

-

We will dwell in the spirit in God's holy gift of grace.
We will worship Him and serve Him, we will sing to give him praise.
We will tell of His goodness, we will share the peace of Christ.
We will tell the wondrous story, Jesus is the gift of life.

-

In His love, we have victory.
In His sacrifice, we have hope again.
In His cross, we have glory.
In His love, we have life.

-

God loved the world and He sent His Son that we might believe in Him.
If we believe we will never die, Christ will bring eternal life.

-

In His love, we have victory.
In His sacrifice, we have hope again.
In His cross, we have glory.
In His love, we have life.

In His love, we have life!
