

# Love Is War

## Hillsong UNITED

In Your justice and Your mercy  
Heaven walked the broken road  
Here to fight this sinner's battle  
Here to make my fall your own Turn my eyes to see your face  
As all my fears surrender  
Hold my heart within this grace  
Where burden turns to wonder I will fight to follow  
I will fight for love  
To throw my life forever  
Into the triumph of the Son Let Your love be my companion  
In the war against my pride  
Long to break all vain obsession  
Till You're all that I desire Turn my eyes to see your face  
As all my fears surrender  
Hold my heart within this grace  
Where burden turns to wonder I will fight to follow  
I will fight for love  
To throw my life forever  
Into the triumph of the Son And I know Your love has won it all  
You took the fall to embrace my sorrows  
I know You took the fight  
You came and died but the grave was borrowed  
I know You stood again  
So I can stand with a life to follow  
In the light of Your Name Turn my eyes to see your face  
As all my fears surrender  
Hold my heart within this grace  
Where burden turns to wonder I will fight to follow  
I will fight for love  
To throw my life forever  
Into the triumph of the Son Your love has won it all  
You took the fall to embrace my sorrows  
I know You took the fight  
You came and died but the grave was borrowed  
I know You stood again  
So I can stand with a life to follow  
In the light of Your Name I will fight to follow  
I will fight for love  
To throw my life forever

Into the triumph of the son  
Your love has won it all  
You took the fall to embrace my sorrows  
I know You took the fight  
You came and died but the grave was borrowed  
I know You stood again  
So I can stand with a life to follow  
In the light of Your Name
