

# Ladybug Waltz

## Bif Naked

I crawl along, hang on the hem of your dress.  
I'm holding on. Boy don't forget.  
I'm a mess. I'm into you. I pull myself up to your chinny-chin chin.  
When I reach your mouth,  
you're gonna let me in.  
I'm into you.[Chorus]  
I'm a...  
Baby ladybug. Baby ladybug.  
I'm lost in your hair.  
Can you feel me there?  
Baby ladybug. Baby ladybug.  
Well, I fly to heaven to come back,  
and land in your mouth. I hide, in you, my little bug games.  
Between your seams.  
I call your name.  
I'm into you.
