

Call Me When You Get This

[Corinne Bailey Rae](#)

How does it feel being in these arms?
What's it really like to be loved?
I've been alone now, how long?
Have you ever loved the way that I have? And I have often wondered who
Who could love you the way I do? Now, I just want you to know
How I'm touched deep in
My soul just being with you And I need you more each day
Baby, if you're still awake
Call me when you get this I've got all this poetry
Now, I didn't know then, I kept inside
Guess I had never seen anything beautiful
Till I first saw you asleep at night And I have often wondered who
Who could love you the way I do? Now, I just want you to know
How I'm touched deep in
My soul just being with you And I need you more each day
Baby, if you're still awake
Call me when you get this I just wanted to know what it was like
What it's really like to be loved?
These little volcanoes came as a surprise to me
I never thought I could be this way And I have been conscious
And I've tried to keep to myself
Who could love you the way I do? Now, I just want you to know
How I'm touched deep in my soul
Just being with you And I need you more each day
Baby, if you're still awake
Call me when you get this Just want you to know
I'm touched deep in my soul
Being with you Need you more each day
If you're still awake
Call me when you get this
