Call Me When You Get This

Corinne Bailey Rae

How does it feel being in these arms? What's it really like to be loved? I've been alone now, how long? Have you ever loved the way that I have? And I have often wondered who Who could love you the way I do? Now, I just want you to know How I'm touched deep in My soul just being with youAnd I need you more each day Baby, if you're still awake Call me when you get this I've got all this poetry Now, I didn't know then, I kept inside Guess I had never seen anything beautiful Till I first saw you asleep at nightAnd I have often wondered who Who could love you the way I do? Now, I just want you to know How I'm touched deep in My soul just being with youAnd I need you more each day Baby, if you're still awake Call me when you get this I just wanted to know what it was like What it's really like to be loved? These little volcanoes came as a surprise to me I never thought I could be this wayAnd I have been conscious And I've tried to keep to myself Who could love you the way I do? Now, I just want you to know How I'm touched deep in my soul Just being with youAnd I need you more each day Baby, if you're still awake Call me when you get this Just want you to know I'm touched deep in my soul Being with youNeed you more each day If you're still awake
