

# I Say a Little Prayer

[Diana King](#)

Say a little prayer for you  
Me I go say a little prayer for you  
Say a little prayer for you  
Me I go say a little prayer for you From the moment me wake up  
Before me put on me make up  
Me say a little prayer for you Me combing me hair now  
And me wonderin' which dress me wear now  
Me say a little prayer for you Forever and ever, you'll stay in my heart  
And I'll love you, forever and ever  
We never will part and I'll love you  
Together, together, that's how it should be  
Without you would only mean heartbreak for me Me run for the bus, love  
Me ridin' me think for us, love  
Me say a little prayer for you At work I just take time  
And all through my coffee break time  
Me say a little prayer for you Forever and ever, you'll stay in my heart  
And I'll love you, forever and ever  
We never will part and I'll love you  
Together, together, that's how it should be  
Without you would only mean heartbreak for me Say a little prayer for you  
Me I go say a little prayer for you  
Say a little prayer for you  
Me I go say a little prayer for you Forever Forever and I love you  
Forever and I love you  
Forever and I love you  
Forever Me say a little prayer for you, ohh Forever and ever, you'll stay in my heart  
And I'll love you, forever and ever  
We never will part and I'll love you  
Together, together, that's how it should be  
And I'll love you Forever and ever, you'll stay in my heart  
And I'll love you, forever and ever  
We never will part and I'll love you  
Together, together, that's how it should be  
Without you would only mean heartbreak for me Forever and ever, you'll stay in my heart  
And I'll love you, forever and ever  
We never will part and I'll love you
