

Not Me

The Elected

Always waiting for the truth to come out
I'm caged in your eyes
And it's making me lie So I'm not everything you wanted me to be
Sorry, I ever disappointed
I am not me I lied my way in through your heart
I feel so ugly
And it's tearing at me So I'm not everything you wanted me to be
Sorry, I ever disappointed
I am not me I am not me
I am not me
I am not me I am not me
So I'm not everything you wanted me to be
Sorry, I ever disappointed
I am not me
