No Shame

Jeff Bates

In a crowded room, I wanna hold your hand
Wanna kiss your lips like a desperate man
When I hear your voice callin' my name
Ill come runnin' to you as fast as I canNo shame, no holding back, baby
Insane, 'cause you make me so crazy
No way I can look cool, baby, no shameI left them all laughing, I left a full beer
Left rubber on the road, just gettin' over here
Let my pride on that barstool, just sittin' there
They all say Im all hopeless, but I just dont careNo shame, no holding back, baby
Insane, 'cause you make me so crazy
No way I can look cool, baby, no shameNo shame, no holding back, baby
Insane, 'cause you make me so crazy
No way I can look cool, baby, no shame
No shame, no shame
(No shame)
