

Never Be Like You

KIDZ BOP Kids

What I would do to take away this fear of being loved
Allegiance to the pain
Now I'm cut up and I miss you
I'll never be like you
I would give anything to change this fickle-minded heart
That loves fake shiny things
Now I'm cut and I miss you
I'll never be like you I'm only human, can't you see?
I made, I made a mistake
Please just look me in my face
Tell me everything's okay
'Cause I got it
Ooh, never be like you I'm only human, can't you see?
I made, I made a mistake
Please just look me in my face
Tell me everything's okay
'Cause I got it
Ooh, never be like you How do I make you wanna stay?
Hate being on my own, missing the way you talk
Now I'm cut and I miss you
Never be like you
Stop looking at me with those eyes
Like I could disappear and you wouldn't care why
Now I'm cut up and I'm missing you
Never be like you I'm only human, can't you see?
I made, I made a mistake
Please just look me in my face
Tell me everything's okay
'Cause I got it
Ooh, never be like you I'm only human, can't you see?
I made, I made a mistake
Please just look me in my face
Tell me everything's okay
'Cause I got it
Ooh, never be like you I'm falling on my knees
Forgive me, I'm a total fool
Ooh, I'm begging, darling, please
Absolve me of my sins, won't you? I'm only human, can't you see?
I made, I made a mistake

Please just look me in my face
Tell me everything's okay
'Cause I got it
Ooh, never be like you I'm only human, can't you see?
I made, I made a mistake
Please just look me in my face
Tell me everything's okay
'Cause I got it
Ooh, never be like you Baby, baby please believe me
C'mon, take it easy
Please don't ever leave me
Ooh, never be like you
