

Love Letters

Nat "King" Cole

The sky may be starless
The night may be moonless
But deep in my heart there's a glow
For deep in my heart
I know that you love me, you love me
Because you told me so
Love letters straight from your heart
Keep us so near while apart
I'm not alone in the night
When I can have all the love you write
I memorize every line
I kiss the name that you sign
And darling, then I read again right from the start
