

# I See You

Luke Bryan

Roll in the bar  
Me and my crew  
Their little plan  
To get me over you  
They hookin me up, yeah  
Buyin me drinks  
With a thousand girls  
There's just one thing I cain't go anywhere  
I can't do anything  
No, I cain't close my eyes  
Without you in my dreams  
You won't leave me alone  
Even though I know your gone  
I look around for someone new but  
I see you  
Jumpin up there with the band  
Takin me by the hand  
Hey boy come dance with me  
Stuck like a melody in my head  
In the bed of my truck by the light of a midnight moon  
Baby I see you Don't know what you did  
But you done it good  
You don't know how bad I wish I could  
Delete you from my phone  
Find a girl and take her home  
But there's just one thing wrong I cain't go anywhere  
I can't do anything  
No, I cain't close my eyes  
Without you in my dreams  
You won't leave me alone  
Even though I know your gone  
I look around for someone new but  
I see you  
Jumpin up there with the band  
Takin me by the hand  
Hey boy come dance with me  
Stuck like a melody in my head  
In the bed of my truck by the light of a midnight moon  
Baby I see you Your lips

Your eyes  
Girl since you told me goodbye  
I cain't go anywhere  
I can't do anything  
No, I cain't close my eyes  
Without you in my dreams  
You won't leave me alone  
Even though I know your gone  
I look around for someone new but  
I see you  
Jumpin up there with the band  
Takin me by the hand  
Hey boy come dance with me  
Stuck like a melody in my head  
In the bed of my truck by the light of a midnight moon  
Baby I see youBaby I see you  
Baby I see you
