# Weather

## Lunik

You're changing
Like the weather does
Yeah - you're changing
Like the weather does

Do you love me?
Tell me, I gotta know
Do you love?

You're my darling
I love you so
Those feelings ain't changing
But your longing for me has become so unreliable

Do you love me?
Tell me, I gotta know
Do you love?
Tell me, show me, touch me

If you don't mean it
You better beat it
Why do you falter?
You gotta be blind
Do you love me?
Do you love me?
I can't wait any longer
I don't understand
Why don't you take my hand?

If you want me
Then show me
I'm not your doll
I've got feelings, desires, cravings
And what I want to know is:

Do you love me?
Tell me, I gotta know
Do you love?
Tell me, show me, touch me

If you don't mean it
You better beat it
Why do you falter?
You gotta be blind
Do you love me?
Do you love me?
I can't wait any longer
I don't understand

Tell me your story
Your reasons to worry
What is your secret?
Gimme a sign
Do you love me?
Do you love me?
I can't wait any longer
I don't understand
Why don't you take my hand?
