

How It's Gonna Be

[Leah Druzinsky](#)

It's his way of livin'
Who am I to tell him
That what he's doin' just ain't right
Standing on the corner hustlin'
All day gamblin' under street lights
Even though he's thuggin'
I love him
And I want him in my life
No matter what people say
I'm gonna love him anyway
'Cause he does a lot for me
And that is why I'm gonna be
A lover, a friend, a soldier, till the end
And that's how it's gonna be
Mother and my father don't understand me
They think I messed up my life
But I don't agree
They need to mind their business, 'cause it's my life
And even though he's thuggin'
I love him
(She loves him)
And I want him in my life, life again
No matter what people say
I'm gonna love him anyway
'Cause he does a lot for me
And that is why I'm gonna be
A lover, a friend, a soldier, till the end
And that's how it's gonna be
So what you sayin', I can't love him
'Cause he's a hustler out here thuggin'
I know you're waitin', sittin' around hopin'
That 5-o come and take him away
Well, even if they do
I'll remain true to love him in the end
Said I'll be a lover, a friend, a soldier, till the end
And that's how it's gonna be
No matter what people say
I'm gonna love him anyway
'Cause he does a lot for me

And that is why I'm gonna be
A lover, a friend, a soldier, till the end
And that's how it's gonna be
No matter what people say
I'm gonna love him anyway
'Cause he does a lot for me
And that is why I'm gonna be
A lover, a friend, a soldier, till the end
And that's how it's gonna be
