

You've Made Me So Very Happy

Blood, Sweat & Tears

I lost at love before
Got mad and closed the door
But you said, "Try, just once more" I chose you for the one
Now we're having so much fun
You treated me so kind
I'm about to lose my mind
You made me so very happy
I'm so glad you came into my life The others were untrue
But when it came to loving you
I'd spend my whole life with you 'Cause you came and you took control
You touched my very soul
You always showed me that
Loving you is where it's at
You made me so very happy
I'm so glad you came into my life Thank you baby, yeah, yeah I love you so much you see
You're even in my dreams, I can hear you
Baby, I can hear you callin' me
I'm so in love with you
All I ever want to do is
Thank you baby, thank you baby You made me so very happy
I'm so glad you came into my life
You made me so very happy
You made me so, so very happy baby
I'm so glad you came into my life I want to thank you, girl
Every day of my life, I want to thank you
You made me so very happy
That I wanna spend my life thanking you
Thank you baby, thank you baby
Thank you baby, thank you baby
