

My Give A Damn's Busted

Jo Dee Messina

Well, you filled up my head with so many lies
You twisted my heart till somethin' snapped inside
I'd like to give it one more try but my give a damn's busted
You can crawl back home, say you were wrong
Stand out in the yard and cry all night long
Go ahead and water my lawn, my give a damn's busted
I really wanna care, I wanna feel somethin'
Let me dig a little deeper, no, sorry, nothin'
You can say you've got issues, you can say you're a victim
It's all your parents' fault, I mean after all you didn't pick 'em
Maybe somebody else has got time to listen, my give a damn's busted
Well, your therapist says it was all a
mistake
A product of the Prozac an' your co-dependent ways
So who's your neighbor these days? My give a damn's busted
I really wanna care, I wanna feel somethin'
Let me dig a little deeper, no, still nothin'
It's a desperate situation, no tellin' what you'll do
If I don't forgive you, you say, your life is through
C'mon, gimme somethin' I can use, my give a damn's busted
Well, I really wanna care, I wanna feel somethin'
Let me dig a little deeper, no, man, sorry
Just nothin', no
If you've really done it this time, ha, ha
My give a damn's busted
