Barlow Girls

Superchic[k]

We met these sisters Barlow's their last name
Ordinary girls they don't live in the fast lane
They don't rate with the guys that score
Cause they don't flaunt what the boys want moreThey don't date they won't date
They wanna see how they're gonna grow up
Who they're gonna be
But in the meantime they might feel unloved
When all the girls around them are hooking up
But I know for sure it's never popular to be pure
And while some guys might be passing them by
I think they've caught someone's eye[chorus]
All the boys in the band want a valentine from a Barlow Girl
Boys think they're the bomb
Cause they remind them of their mom [Repeat]Everyone needs to be loved
Everyone needs their own teenage fan club
Any attention can feel like a good thing
Dress to impress can be oh so tempting
You can get noticed with your body
Sexual hypnosis by being hottie
You might feel like public property
You might you might you shouldn't beNo girl should feel she has to trade
Her body for love or be an old maid
And yes there are guys who are willing to wait
Ask a Barlow girl on her wedding day[chorus]
All the boys in the band want a valentine from a Barlow Girl
Boys think they're the bomb
Cause they remind them of their mom [Repeat]KJ52 with Superchick
Excuse me Barlow girl, but there's somethin on my mind
See I was just wonderin, can I get a valentine?
Saw you walkin by
And somethin caught my eye
There's somethin bout these
Three girls I can't deny
Say alright
I think you're fresh for the reason that you're holdin on
For your wedding night
All right, all right
But what I'm saying any girl can be a Barlowgirl
Am I wrong?

Don't think so
Spare me the drama
You remind me of my mooma
